

**AK INTERIORS DESIGNING PVT LTD.**

CREATING CONSCIOUSNESS

# Our **Past** history

AK Enterprises came into existence in 2010, founded by Mr. Shabaz Khan, and in 2014, it transformed into AK Interiors Designing Private Limited.

We began by providing execution services in the banking sector, and since then, it has been our core market. Known for quality and excellence and established in Mumbai, our objective has been to provide the best interiors across India to corporates since its inception. We have worked with significant corporate banks such as IndusInd Bank, AXIS Bank, HDFC Bank, Standard Chartered, and others in the banking sector. We've come a long way in building and maintaining our standards over the years.

**We are AK Interiors**  
about

US...

The foundation pillar of AK Interiors Designing Private Limited is a pledge to bring new paradigms to the interior design industry with sustainable and farsighted solutions. Over the last decade, we have introduced modernized craftsmanship and expert execution methods to the craft. We are passionate about delivering uniquely customized spaces with a lucrative approach.

Supported by an ambitious team of experts, we have been serving in the banking industry, transforming design visions into skillfully crafted and flawlessly finished spaces. We embarked on designing premium corporate spaces and gained focus, achieving an unsurpassed quality of work in diversified sectors like retail, healthcare, hospitality, and beauty. We are on the route to expanding our services across India and abroad in conceptual and 3D designs with turnkey executions for enormous and intricate projects.

# Your Ideal Choice To Partner

# US?

AK Interiors Designing Private Limited's principal focus lies in providing our clients with farsighted solutions for their needs, desires, and problems while addressing their scope of work by applying our strengths.

- ★ Exclusive finishes at a fair cost with premium quality.
- ★ Professional assessment of space utilization with an aesthetic appeal.
- ★ Effective project execution with minimal coordination using trackers.
- ★ Transparency during all phases of implementation and on-time delivery with completion certificates.

By maintaining standards, we try to bring class and quality into every project we take on throughout the year, making us the preferred execution partner.

# **Mission** our why statement...
